KTHC pharmacy patients will now have access to Rx2Go, which is an online Prescription Refill Request System. Patients may sign up using the steps below:

1. Register at https://3721809.winrxrefill.com/

2. Pharmacy will need to **activate** your account **before** your request is sent.

   - There is no need to call the Pharmacy to ask to activate your account; once registered, we automatically receive a notification.

3. You may download the **Rx2Go** app for your cell phone from the App Store (Apple) or Google Play

4. Sign in to the app; you may then view your medication profile, request refills, look at prescription information

Please note, the steps for adding children below

If you are a parent of a patient and are **not a patient of KTHC** yourself but wish to activate an account for your child; please click here to complete the "Activate Family Member" request form first and return to pharmacy.

If you **are a patient of KTHC** and activated your account but would also like to add your children to your account click here to complete the "Add a family member" request form and return to pharmacy.

If you have questions, please contact Pharmacy at (405)964-2081 x225.
