

# Kickapoo ICW Christmas

# 2020

Kickapoo Indian Child Welfare would like to express our gratitude for the Kickapoo Community who came together to provide a wonderful Christmas to Kickapoo children in DHS or ICW custody this holiday season.

Due to COVID 19 pandemic, KTO ICW was unable to host a ICW Christmas party this year. Although it has been a difficult year for all, our families and community have continued to persevere.

With your help and donations our foster children and families did not go without this year.

Foster families were provided with a care package that included hand sanitizer and some masks, food items to prepare a Christmas dinner which included a ham, dinner rolls and mixed vegetables. In addition to the presents that were sponsored by tribal and health center employees, children were provided a duffel bag with footballs, soccer balls and basketballs. KTO ICW also put together family fun night care packages which each family chose a game, with a trayful of goodies and gift card to purchase pizza to help bring holiday joy in time of self distancing.

KTO ICW staff is ever so appreciative of the work and support provided by this community.

Our Supporters Include the following:

- Kickapoo Tribe of Oklahoma Business Committee
- Kickapoo Employees
- Kickapoo Tribal Health Employees
- Kickapoo Diabetes program
- Kickapoo Casino
- Dobson Telephone Company
- Firelake Grocery Store
