

Give Away Events

Kickapoo Farms held two give away events this month. The first was for distributing potato and onion seeds from March 11-14. 40 tribal members were given several pounds worth of seeds! Then, on March 13 and 14, Kickapoo Farms gave 104 elders 2lbs of hamburger meat from the first harvest of the Kickapoo cattle herd!

Early Spring Planting

After the seed distribution event, Kickapoo Farms took to the fields. The leftover potato and onion seeds were planted at three Kickapoo properties, including the community garden with the help of the kids attending KTHC Spring Break Camp (pictured under the title)! The community garden will be open to the whole community by the end of next month to start tending for future harvest!
